**MOVIE "Courageous"** In a day when we are all looking for good entertainment as well as positive role models for society, Sherwood Pictures, the makers of Fireproof and Facing the Giants are back with their fourth release. Courageous tells the story of four police officers who unite to be as courageous in their homes as they are on the job. The movie depicts their commitment to family and to God as they steer their families to a renewed commitment to Christ. This movie is coming to theatres in the Hamilton, Burlington, Brantford and Stoney Creek theatres on September 30. Not only is this a great opportunity for us to be challenged by a great film with a positive message, but it also has great potential for us to invite our friends or encourage our church to get involved in "Courageous" ministry. Visit [www.courageouscanada.ca](http://www.courageouscanada.ca) to learn more and to see the list of cities where "Courageous" will be playing. There you will also find resources available for men and women as well as small groups.

Note that Hezekiah leads God's people into revival/renewal, and that healing is an extension of time – which, in this case, Hezekiah does not use wisely! Pastor John Veenstra
